

STATE OF MICHIGAN
COURT OF APPEALS

THERESA JO RATHBUN,

Plaintiff-Appellant,

v

LEE M. HUBBELL and CINDY L. HUBBELL,

Defendants-Appellees.

UNPUBLISHED

March 14, 2006

No. 265177

Hillsdale Circuit Court

LC No. 04-000631-NI

Before: Bandstra, P.J., and White and Fort Hood, JJ.

WHITE, J. (*concurring*).

Given counsel's statement that plaintiff's claim of serious impairment is based on her being in a cast for several months, and not on the aggravation of her reflex sympathetic dystrophy (RFD), I concur in the affirmance.
